PERSONAL AND CONFIDENTIAL

SUBJECT: Frank Metzger and  
William Maitre

Dear Tim:

This is an update on our telephone conversation of August 24. I am sorry I had to write so soon but I feel this matter should be straightened out.

We have a file on William Maitre which was started in 1983. It was completed in January of 1984 and Mr. Maitre was placed on our permanent confidential file. He was the Scout Master of Troop 115 in Wilton Manors, Florida. Several parents made accusations against him for child sexual molestation. He was sentenced for sexual assaulting 3 eleven year old boys.

Frank Metzger was charged by the Fort Lauderdale Police Department with sexual battery on a minor and lewd behavior. He was also registered with Troop 115 in Wilton Manors, Florida, as a member of the Committee. We never received the outcome of any legal action related to this situation. This is the reason I have been requesting more material. I feel, at this time, our case is very weak since we do not have any newspaper clippings or court records which would substantiate these sexual charges.

We would appreciate it if you could help us complete the Metzger file. The Maitre file is complete and registration would be refused if attempted.

Thanks for your help in this matter.

Sincerely,

Paul Ernst, Director  
Registration Service

# Scoutmaster pleads guilty to molesting

By Kathleen Pellegrino  
Staff Writer

A former scoutmaster pleaded guilty Friday to sexually assaulting three 11-year-old boys who were members of his Wilton Manors Boy Scout troop.

William Joseph Maitre, 33, was sentenced to spend 90 days in the Broward County jail and to donate \$5,000 to Kids in Distress as a condition of five years probation.

He was also ordered by Circuit Judge Thomas Coker to seek psychological treatment and to have no contact with the victims. As part of a plea-bargain agreement, Maitre admitted to fondling or exposing himself to three 11-year-old boys during scout activities held between Jan. 8 and Jan. 31 of last year.

"He has maintained his inno-

cence all along. It was a plea of convenience," defense attorney David Bogenschutz said. "It would have been an unpleasant trial for everyone. This prevents the children from being put through any more than what they have been through so far."

Maitre moved from Wilton Manors to Port St. Lucie last June, a month before his arrest, and could not be reached for comment.

Wilton Manors Police Chief Bernard Scott said his department began investigating the case after receiving complaints from parents.

In the two years that Maitre was a scoutmaster, 90 children passed through his troop. Police tried to contact and question all the children, Scott said.

are going to be talking to," Willey said.

"There are about 90 kids who have passed through  
his troop since he joined it about two years ago and  
we have talked to eight," Scott said. "All eight have

Dear Mr. Maitre:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that the Boy Scouts of America leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to revoke and/or refuse registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide for American youth. Please also understand that this decision and the reason for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a Boy Scout of America leader should be granted or reinstated.
